

My Dear CMI Alumni,

This past week we have been working on a mini-documentary about CMI and the Michigan/Ohio Concert Choir. In the process we reviewed dozens of pictures that were taken year by year for 36 seasons. With that review came a flood of memories of wonderful people and special moments.

You were there in that bundle of joy because you were a part of this ministry.

Kathey and I made a resolution that we would try to find you again and see if you might want to become part of something new and very exciting...THE CMI ALUMNI CONNECTION.

So, we have prepared a special DVD for you and we would like to send it to you with our love.

And with this note we've started some limited activities that are now being planned for our Alumni during the next couple of years as we head for our awesome 40<sup>th</sup> Anniversary Celebration.

Though it may not be possible for you to participate in the choir as in time past, we think we should be able to get together sometime during the year for fellowship and continued relationship that will benefit all of us greatly.

*I am pleased to announce that Byron Nunnally, who has been a member of the choir since Day One, served as Chapter Chairman, member of the staff, and now is our new Alumni Connection Chairman. His 36 years of serving with us uniquely positions him to lead us in this most meaningful adventure.*

All you need to do to receive your free DVD (and get reconnected) is to simply request it by dialing Toll Free 1 866 THURLOW. That's right. No charge for the call, no hassle to give us your information and no waiting to get reconnected. My Administrative Assistant, Sandra, will see that we send to you the DVD and some other information about the Alumni Connection. Please call right now while the opportunity awaits. Toll Free 1 866 THURLOW.

You are not forgotten. You are special. You will always have fond memories of our time together.

And maybe the best is yet to come.

Much Love,
